“We sold our 8,000 sq. ft. house during COVID-19 all thanks to professional staging. Given we were in the luxury housing price point, we thought it would take at least a whole season to sell our house. We ended up getting an all-cash offer in the second week! Every real estate agent and potential buyer who toured the house LOVED it.”
- Alice Yang

In a 2021 survey of 4,600 properties, homes that were staged sold approx 9 days faster than the average DOM.
